LIGHT THE NIGHT WALK

Please join us on November 20th for "Light the Night," The Leukemia & Lymphoma Society's evening walk and fundraising event. This will be the 3rd year the St. Patrick's Community has gathered to celebrate the legacy of an amazing St. Patrick's mother, Mary Gemmingen. For more details go to their website at: <http://pages.lightthenight.org/sdSanDiego09/TeamMary>

FIRST LEGO LEAGUE

Our team has started on the Smart Move Challenge this year and is looking forward to the regional qualification tournament in November. We have chosen to look at efficient City design for trans-

portation as our research topic and if anyone knows people in the transportation or City Design/management business who would be willing to come talk to our team please contact Carl Sarrazolla

at lego@stpaddys.org.

Also, there is still room for a couple of students if you are interested. The only requirement is that you are between the ages of 9 and 14.

STUDENT COUNCIL MEMBERS

8TH GRADE

Hi, my name is **Catherine Gintowt** and I am one of the four 8th grade Student Council representatives. I came to St. Patrick's in the beginning of 7th grade after moving from Pennsylvania. I enjoy fencing, soccer, field hockey and baking. I look forward to a great year and helping you.

I'm **Justin Arnold**, and a member of St. Patrick's Student Council. I have been at St. Pat's for almost nine years, and it is a great school. Some things that I like to do in my free time are play water polo, read books, and watch T.V. My favorite type of food is Italian. I love to travel and would really like to visit Germany and also Italy.

My name is **Abby Devins**. I am in 8th grade, and I have three sisters and one brother. My favorite activities are acting, hanging out with friends, and playing sports. I love music and spending time with my family. I am excited about Student Council and learning from new people.

I am **Wade Lippert**, a new Student Council member. I am excited because now I am an active member of the school and an actual leader, not an "in the background" leader. I am also excited because I get to help make decisions, show school spirit, influence other people at school and help make a difference. I also get to leave my mark on this school.

St. Patrick Parish School Student Learning Expectations

A student at St. Patrick Parish School is a **Faith-filled Christian, Responsible Citizen, Life-long Learner, Effective Communicator and Well-rounded Individual.**

A student at St. Patrick Parish School is expected to develop as a:

1. **Faith-filled Christian** who:
 - A. Seeks to deepen one's relationship with God.
 - B. Demonstrates Christian values of care, respect, and compassion for others and self.
 - C. Regularly participates in prayer and worship.
 - D. Knows and practices the Catholic faith
 - E. Uses talents in service to family, school, Church, and community.

Health Room News

We are seeing a slight increase in illness related to H1N1 flu like symptoms; fever (>100), cough and mild sore throat. Because influenza or "flu" can be easily spread from person to person, we are asking your assistance to help reduce the spread of flu in St. Patrick Parish School.

Here is what you can do to help:

- ◆ **Know the signs and symptoms of the flu.** Symptoms of the flu include fever (100 degrees or higher), cough, sore throat, a runny or stuffy nose, body aches, headache, and feeling very tired. Some people may also vomit or have diarrhea.
- ◆ **Do not send children to school if they are sick.** Children who are determined to be sick while at school will be sent home.
- ◆ **Keep sick children at home** for at least 24 hours after the fever is gone without using fever-reducing drugs. By keeping children home when they have a fever, we can reduce the number of new people who may get infected.
- ◆ **Teach your children not to share personal items** like drinks, food or unwashed utensils, and to cover their coughs and sneezes with tissues. If tissues are not available, coughs and sneezes can be covered with the elbow, arm or sleeve instead of hands.
- ◆ **Teach your children to wash their hands often** with soap and water or an alcohol-based hand rub. Adults can set a good example by doing this too.

Remember to call in all absences to Health Tech., Anne Granahan, at ext. 101. Thank you so much!

* Development News *

Our Development Process continues as we have just completed the **Exploration, Discovery and Feasibility** phase of this process.

Our development consultants, ISPD (The Institute of School and Parish Development) have just finished interviewing many parish and school families to complete this study. We thank those who gave their time for this interview when they were called. We look forward to receiving the results of this study in November. Please keep this development process in your prayers.
